THZ022EU | Targus Truss Case for iPad

The Targus Truss Case for iPad is constructed of durable top-grain leather that provides a tough exterior to protect your device. The case easily transforms into a stand for hands-free viewing which is ideal for convenient movie-watching. To use and view the iPad in the case, Truss opens like a book, so you never have to remove your device.

The soft interior lining protects against scratches while the secure wrap-around band holds the case closed when not in use. With a professional exterior and colorful interior, the Truss case uniquely combines both style and function into a durable iPad case.
